Mitch O'Farrell, Councilmember, 13th District

Kent --

I am hosting an event that promises to be fun and informational for everyone in the great 13th District.

The CD13 Family Resource Fair will provide free medical and dental exams, as well as connect residents with a variety of city and social services. The event will take place on **Saturday, August 8, from 10 a.m. to 2 p.m., at Rosemont Elementary School, 421 Rosemont Ave, Los Angeles, 90026**. [Please join us and RSVP here.](#)

The event will bring city departments and community organizations together to provide a wide range of services to constituents, such as dental and medical screenings, and legal information on Deferred Action for Childhood Arrivals (DACA) and the Deferred Action for Parents of Americans and Lawful Permanent Residents (DAPA). We will also have a kid zone with pony rides and a tree giveaway. The event and the services provided are free and open to the public.

I am committed to bringing City Hall to my constituents, and empower people with knowledge and information about city services. Since I was sworn into office more than two years ago, I have made outreach a top priority, and have led close to two dozen community walks throughout the district. The feedback during these monthly walks has been great, and the outreach has provided my office with one more opportunity to connecting with residents and hear their suggestions on ways to improve the look and feel of our communities.

The CD13 Family Resource Fair will kick-off my third year in office, and I can't wait to celebrate the things we've accomplished, as well as get everyone excited for all the enhancements on the horizon in the 13th District. [I hope to see you on Saturday, August 8!](#)

Warm regards,

LA CITY OFFICIALS DEDICATE NEW POCKET PARK IN HOLLYWOOD

rsz_carlton_way_park_open_ribbon_660_334.jpg

HOLLYWOOD - Los Angeles City Councilmember Mitch O'Farrell, the Department of Recreation and Parks, and the Trust for Public Land (TPL), as well as local residents, celebrated the opening this week of Carlton Way Pocket Park, which is part of the City's 50 Parks initiative.

The park, a public-private partnership with TPL, features an entry plaza with accessible picnic tables, porch swings, a playground, and six pieces of fitness equipment thanks to a grant from Kaiser Permanente. The park also contains mosaics, some of which were made by members of the community, and drought tolerant trees and shrubs.
